

Humanitarian Award of the year 2018 for Our CEO Haresh Mehta

Haresh Mehta immigrated to Canada more than four decades ago, little did he know that his life would span out in service of humanity. He has an awesome acumen for entrepreneurship, abiding passion for community development, visionary zeal for philanthropy and dedication to foster Canada India ties.

His community-based work in India includes a family trust established in 1986 in Dungar village in Gujarat to assist impoverished people with cataracts and eye disorders. Over 5,000 cataract surgeries have been performed and over 15,000 patients have been examined.

He built a high school under his father's name in Dungar in 2011, which provides educational facilities to 800 students annually. He also donated water filtration plants and computers to the schools.

Haresh Mehta is CEO and President of Eximcan Canada
