Eximcan

Canada

Since 1992

- A trusted full-service global importer/exporter since 1992; 30+ years of expertise
- Three main product categories: Food (Conventional and Organic), Fiberglass and Chemicals
- Three offices: Toronto, Canada (headquarters); Vadodara, India; Lima, Peru
- ~20 dedicated staff members with in-house logistics/documentation
- Member of Pulse Canada , CPSC and GPC; soon to be organic certified by the FDA

Eximcan
Canada
Since 1992

We differentiate ourselves through SERVICE QUALITY:

- We have dedicated, seasoned advisors individually assigned to accounts on both the buyer and supplier sides
- We stand by our products – we work with you to promptly address any after-sale issues should they arise
- We invest time up front with you to ensure the product meets your needs, thereby ensuring a seamless transaction – the key to 30+ years of success
- We keep ourselves abreast of industry trends through active participation in trade organizations
